PRINCIPAL'S MESSAGE

Dear Ilima Ohana,

Thank you for doing your daily wellness checks with your child since the official start of our school year on August 3. The 1st Quarter ends on October 8. As we start to get closer to the end of the 1st quarter, please continue to emphasize appropriate mask use with your child. One of the most important essential strategies to mitigate the spread of COVID-19 this school year is COVID-19 vaccination. As principal, I encourage everyone to get vaccinated.

Included in this month's Ka Ho'olaha O Ilima Parent Newsletter is a flyer indicating scheduled opportunities to obtain COVID-19 vaccination at Ilima! This is open to all individuals ages 12 and over. Ilima Intermediate School's collaboration with Hawaii Pacific Health has helped to support efforts to encourage COVID-19 vaccination this school year.

Thank you for your attention to these health and safety details. Our teachers and staff are doing their very best to provide quality education for all students. Each student deserves our very best especially because of the challenges students experienced last school year. With your support of our health and safety mitigation strategies, our faculty and staff stand a better chance creating meaningful opportunities for each student to experience academic as well as social-emotional success. #IlimaWay

Sincerely,

Christopher D. Bonilla
Principal
