Dear Ilima Intermediate parents and guardians,

At Ilima Intermediate School, we are committed to ensuring the safety and well-being of our students, staff and families. This letter is to inform you that our campus was placed on a brief 15 minute lockdown around noon today due to observations of a male displaying erratic behavior just outside of Ka'imiloa Elementary's campus. The Honolulu Police Department was notified of the situation and the suspect was apprehended at a nearby church.

At no time was there any imminent threat to our students and staff; however, the lockdown was initiated out of an abundance of caution while the situation was addressed. There were no impacts to students or learning schedules.

We appreciate your help as we work together to keep all of our students safe. If you have any questions, please contact our administration at (808) 687-9300.

Sincerely,
