Dear Ilima Intermediate School Families,

As we enter the final quarter of the school year, I want to take this opportunity to reaffirm our commitment to fostering a positive and productive learning environment for all students. At Ilima Intermediate, we uphold high expectations for both academic achievement and student conduct, as they are essential to student success.

To support a successful and rewarding conclusion to the school year, we will continue implementing a **zero-tolerance suspension policy** during the fourth quarter. Under this policy, any student who receives a suspension during this period will be ineligible to participate in end-of-year activities, including:

- **7th Grade Class Day**
- **8th Grade Banquet/Class Day (TBD)**
- **Spring Fling School Dance**
- **8th Grade Graduation Ceremony**

We recognize that unexpected situations may arise, but we believe this initiative will encourage students to make responsible choices and uphold our school's values. Our teachers and staff are dedicated to providing the necessary support and resources to help students succeed both academically and behaviorally.

We kindly ask that you discuss this policy with your child and partner with us in ensuring a positive and successful conclusion to the school year. Thank you for your continued support and commitment to our school community.

Sincerely,

Shayne Greenland - Principal
